CAMP LAMBECC

Become a Sustaining Member with scheduled giving!

Become a leading supporter of Camp Lambec's ministries by becoming a Sustaining member of the giving community. You can do this in three ways:

- **Operating fund** - the fund for the day to day operations of the camp
- **Endowment** - to ensure future generations get to enjoy Camp Lambec
- **Capital Improvements** - for major projects that improve the camp

Donations can be made on a weekly, every other week, monthly or every other month schedule. Every donation helps! Please consider signing up by going to our website and clicking on **DONATE**.

From the Camp Board: We are currently making preparations for programs, collecting registrations, and engaging start up items at the camp. The major project is the Kitchen Renovation which is the primary focus for the next two weeks. We are grateful to Bob Nicolls for funding and supplying his Monarch construction crew for the next few weeks.

For further information or if you have questions, please contact Dennis Molnar at dennis.molnar@camplambec.com

Registration for all our camps is open! Visit our website to get started. Enjoy some time away at our beautiful camp!

OPENING CAMP

Your help makes a difference!

One of the most important elements of opening camp is ensuring the water system is clean and ready to go.

We need generous donors to help us “start strong” going into the camping season. The start up water costs include:

- Chemical Startup Costs for the summer \$1,700
- Removal of old filtering sand in the water system/replacement with new filtering sand (which needs to be replaced every five years) \$3,000
- Cleaning/washout of the Camp’s water holding tanks. \$3,000

The total outlay of the start-up and maintenance costs is approximately \$8,000.

If you are able to make a donation to help with these costs, please visit our website and click the **DONATE** button, or please send a check to:
